

Bobi & Gabi Jakimovski

Together Reaching Macedonian Students for Christ

November, 2017

Dear friend,

When we look back in our lives, it is amazing to see God's hand in each and every step we make. Gabi and I, we both came from a small towns to study in the capital city, Skopje. She was dreaming to be a doctor and I was preparing to work in the army. But God had a plan for our lives and it was not same as ours. First he called us from the darkness into His light. Then he joined us together and called us to serve Him among students in Skopje, Macedonia. He has blessed us with a fruitful ministry, many friends and ministry partners like you and three wonderful children. **We praise God for all that he has done in our lives !**

Over the past few years God has been showing us many unique ways how we can use our home and our neighborhood for His glory. Having small kids it is really easy to connect with other parents and build strong relationships. As we are praying for God to use us in the place where we are, we are realizing that we do not have a stable place FOR LIVING. We are renting an apartment and at any time we can be asked to move from it. Our dream was to have our own home in the area where we are living now, and we believe that this is God's will also.

God responded to our prayers and not only did we find such an apartment as we prayed for but he also provided the finances to buy it. 60 percent of the finances for the apartment were taken from the bank as a loan in order to be able to buy it. **We are very glad that we can share this wonderful news with you and in prayer to thank God for answering it.** We also **pray** that God will provide the additional \$250 a month to pay the monthly mortgage to the bank.

Dear friend, we want to ask you to **prayerfully consider blessing us with a special gift or an increase in your monthly giving** to help us provide the additional \$250. **Please have this need in your prayers.** Please also **pray** for us during this period of renovation and purchase of furniture and household appliances. We have nothing on our own and we need to buy everything, and that takes time and good planning. So **please pray** for good organization of time and for patience. Also my responsibility in the team requires a lot of planning and care for the staff. I feel lot of stress and pressure especially from the fact that by the end of November we have to move out of our current apartment, otherwise we will have to pay rent for December and also start paying the new mortgage. **Thank you** for your continuous love, care, support and prayers for us and our ministry!

We started working on the apartment from October 23rd and we hope and pray that by the end of November we can move in. The apartment was old and it needed some renovation and adjustment! The apartment has 915ft² and a beautiful yard! We are sharing some pictures with you :
