Together Reaching Macedonian Students for Christ

September, 2017

Dear friend,

The fall is here and as always it is the most busiest time of the year! The kids are starting school, the students are preparing to leave for college, families are starting to prepare and preserve food for the winter. The streets are full with kids noises and the smell of red roasted pepper.

The ministry of Cru in Macedonia has welcomed the new freshman's on September 15th and as always we prepared some gifts for them. We have around 500 USB flash sticks and power banks that we will give to the students who will fill out our online questionnaire. We have already started to make appointments with the students who are spiritually interested and we had few good conversations.

This weekend, September 22nd and 23th we had our Leadership conference for the student volunteers. The main team was **"Evangelism and discipleship as part of our daily lives"**. We all had 30 minutes to think and pray about "what God wants me to do?" (how God can use me, what God requires of me, how to use my time for the glory of God, what are my goals for spiritual growth).

Please pray together with us that God will give us wisdom as we are seeking His blessing and guidance, in the school year that is in front of us. **Pray** that this conference will be a time of refreshment and encouragement and that it will fill our hearts with zeal for the Lord and love for the lost.

Part of our team traveled to Shtip, another city in Macedonia and distributed bookmarkers with the link to our online questionnaire!

This is the team that traveled to Bitola!

Two key volunteers join them and helped with the distribution. Milena (white shirt in the middle), was our student leader in Bitola and this year is joining staff with Cru in Skopje. Praise the Lord!

Proud to be part of this group of faithful man, staff and students who committed to serve the Lord in reaching the lost in Macedonia! Picture from the conference!

Please pray that the students we will meet in the next weeks will be spiritually open and ready to hear the message of love and salvation. **Pray** that the Lord will prepare their hearts to listen and to believe. **Pray** that we will press on in confidence as we are working for His kingdom.

Prayer for your country!

Dear friend,

Our hearts and prayers goes out for your country as we follow the news about the terrible storms and hurricanes. May the Lord gives comfort to the families who lost their homes and loved ones. **We pray** that God will provide everything that is necessary for those cities to recover from this catastrophe.

Speak Out 2017!

We were sad to miss the Speak Out camp this year, but we won't miss the opportunity to share with you the impressions from some of our staff and students, and a few pictures.

Zlatko Buckoski-staff

"In the photo above are the campers from the first week. We spend a great time with them, we made lots of new friends and we shared the Gospel in various ways! 7 of them confessed that they believed in Jesus. Praise the Lord!

Out of the camp, with our student volunteers we had a great evangelism at the beaches and downtown in the city of Ohrid. Something new that we did this summer is that we set on the beach a big banner with "Worldview survey" and young people were stopping by to check what is their worldview. This opened very interesting discussions and a smooth way to share our Christian worldview and the Gospel".

Bojana Simonovska-staff

"While the tutors work with their campers, us the staff focus primarily (although not only) on the student volunteers who want to grow in their faith and share it. I had two of the four girls I normally mentor on the camp this year and the time spent with them was a blessing: we fought battles through prayer together, we dug deep into the Word (each volunteer left the camp knowing how to inductively study the Bible for themselves) and we witnessed together to a lot of hungry souls".

Adrijana Ivanovska- student

"I am very grateful to God that I got to be part of this camp for a second time. The biggest challenge for me was not to get easily disappointed by people and to try to focus fully on God while I was there. This Speak Out brought me closer to God and helped me to know Him, not just like Lord and Father but also as a Friend. I was greatly encouraged that God gave me many natural conversations every day during evangelism and many chances to share the gospel. I was blessed to watch how much it pleases God if we obey His command to go and spread the gospel!"

Life with 3 kids!

Our family is adjusting very good to the new member! We are blessed to have such a sweet and quiet baby. The boys are really enjoying their little sister and they are helping us a lot around her. This picture is from their first day of school, second grade (Luka) and preschool (Filip). Gabi is on a maternity relief and she is spending most of the time at home with Adelina and the boys. She is also helping Bojana (new staff) to finish the New staff training!

Thank you so much for your prayers for our family and the ministry in Macedonia. It is a real blessing to have you as friends and ministry partners! We love you!
