Our family reaching out to your family

May 2018

## Hope4You

Hi church family,

This year, Spring has shown us one of the difficult things about our relationship with God. It will happen on His timetable and He will do according to His will no matter what the calendar says. And no matter how much we want Him to bend to our will.

But Spring will come. And He is working on our behalf even if we can't see it. God never lets us wait on His answer to make us miserable or to make us suffer. He always has a reason. And more than that, He has a plan.

That plan is to build us up. To make us stronger. To increase our faith. And to teach us that He is faithful. Each battle teaches us that we can trust God just a little bit more.

Sometimes we go through the same things over and over because we haven't learned what He was trying to teach us. God can't move us forward until we discover what it is He is trying to teach us. But know that not a single thing that we go through is unknown to God.

He is faithful. He loves you. He is trustworthy. His working on your behalf is not dependent on circumstances. He is working on your side. And answered prayer is on its way. In His time.

I love you guys. Most importantly, Jesus loves you guys.

Pastor Brian

Dear Church Family,

I wanted to take a moment to say a big thanks of gratitude and appreciation for all of the love and support you have shown our beautiful preschool, our teachers, and myself throughout the 2017-2018 school year! It has been such a grand pleasure to have been the director and teacher for the ABC Preschool this past year! My heart is so full from this wonderful opportunity!!! As a school, we have had so many wonderful moments this year full of learning and growing through our class meetings and fun field trips! We are so excited to see the way God grows and leads our 26 students from this year and cannot wait to send them off with a bible to help guide them as they continue to grow and learn! We cannot say enough of the wonderful support of the wonderful members and pastor of this church who have helped us in any moment that we needed them so that we could function as an outreach of this beautiful church!! It has been a truly wonderful year!

Thank you and God Bless
