Hope4You

Dear Church Family,

Ready to have a song stuck in your head? It's an easy song. One that we have all sung hundred times.

Standing, standing
Standing on the promises of God my Savior
Standing, standing
I'm standing on the promises of God

Easy to sing. Not so easy to do. We live in what I call the microwave generation. "I want it now!" The problem is, God doesn't work like that. He isn't in the business of doing things on our schedule.

Saul was the first king of Israel. But he would leave the blessings of God and try to do things on his own. So God had Samuel anoint David as king over Israel. It was a promise from God. David WILL be Israel's king. The thing is, it will be another 15 years before David actually ascends to the throne.

God told Abraham that he would have a son, an heir to the lineage that became the Jewish people. He was 75 years old. Ten years go by. Abram is 85 now. But no son. Twenty years go by. Abram is 95. Still no son. 24 years go by. Abram is 99 years old. Still no son. But in his one hundredth year, Isaac, the promised son, was finally born. Abram, Abraham, waited twenty-five years for God to fulfill His promise.

God promised He would send a Savior, a Redeemer, to His people. Millennia go by. But in "The fullness of time," a baby cried alone in a tiny village in the middle of nowhere.

Standing on the promises of God. Here is one. "I will never leave you or forsake you." Forsake means to give up on. Jesus said "I will never give up on you."

That is a promise worth trusting in.

I love you guys,

Pastor Brian

PRAYERS FOR BACK TO SCHOOL

Dear God, Thank you for the gift of children. Please watch over all our kids as they go back to school this year. Keep them safe every day. Help them to remember that you are right there with them in the halls and classrooms. Help them soak up good knowledge and to dismiss any negative or worldly messages they may hear. Help them treat others with kindness and respect, and to guard their hearts with the armor of Your Word. Give them joy and peace as they put their trust in you. Amen

Dear God, Thank you for the Staff (Administrators, Office Staff. Nurses. Counselors, Cafeteria, Janitorial, and Bus drivers) There are so many men and women who work in our schools, who keep our schools running smoothly, nurses that run their clinics, counselors working with our kids, those that provide food, transportation and more for our kids. They are often the ones responsible for keeping our schools healthy and our children safe. Please give them joy in their work, bless their hands as they serve each day.
