Our family reaching out to your family

November 2018

Hope4You

We are sitting in a large church in Grove City awaiting a Newsboys concert. The church has a balcony, a bookstore, a cafeteria, and 4000 comfortable seats.

The stairway to the balcony is longer than our entire church.

There is a huge stage upon which the pastor stands during each of their three Sunday services.

He looks out over a sea of faces, most of whom he most likely doesn't

know personally and love with all my heart. When I look out I see family. God's family. My family.

Give me the choice between 4000 people on a Sunday morning or the 65-80 we have and I'll choose you guys every time.

You are special like no church I have ever been a part of.

You make Jesus proud. I love you guys.

Christmas Giving Project

Help Share Jesus This Christmas

This year we will be sponsoring local families from our area through the "Adopt a Family" program again. These families are right in our own backyards with great need. **There will be a tree decorated with the needs of the family and some toy wishes for the little ones coming soon.** We will also include Bibles and other materials to share Christ with the family and welcome them to our church. We can also accept monetary gifts to help purchase these materials, fill in gaps in their list of needs, and/or purchase food for the family for Christmas dinner. Gifts need to be new and unwrapped, but please include a gift bag or wrapping paper so the parents can wrap the gifts themselves. Questions- see Carol Holbrook.
