Ephesians 6:12 - ESV - For we do not wrestle against flesh and blood, but against the rulers, against the authorities, against the cosmic powers over this present darkness, against the spiritual forces of evil in the heavenly places.

As the news, especially for Christians and conservatives, gets worse and worse, we need to keep in mind who the real enemy is.

The man who hired two black men to put a noose around his neck and beat him up so he could claim white conservatives beat him up... the lesbian woman who carved crosses into her chest so she could accuse Christian conservatives of attacking her... they are simply pawns of Satan. They need to be prayed for.

Satan has so blinded their minds that they cannot see the truth. The Bible is being played out before our eyes.

And we, Christians, the church - have the answer to the world's situation. Billy Graham stated that less than two in a hundred "Christians" has ever told one other person about the saving work of Christ.

"The only thing necessary for the triumph of evil is for good men to do nothing." Edmund Burke, though attributed to President Kennedy.

Evil is triumphing in our land. What can we do?

Pray. Every day. Pray for our nation. Pray for our leaders. Pray for Godly men to fill God's pulpits. Pray for the lost. Pray for each other. Pray for those you love. Pray for those you don't like so much. Pray for those who oppose you. James 5:16 NASB.

Not our job? Let us be reminded of what God says; "For it is time for judgment to begin with the household of God; and if it begins with us first, what will be the outcome for those who do not obey the gospel of God?" (1 Peter 4:17)

As I look around I am amazed. What will it take for the church to awaken?

I love you guys.

Adult Education Workshop News

Our Spring Adult Education Workshop is scheduled for Sunday, April 7th from 6:30-9:00. The topic will be "Watchmen on the Wall". It will be an interactive time of sharpening discernment to spot false teaching/doctrine that is working its way into the Christian Church. Our focus will be discussion of some headlines and trends where beliefs and practices from Eastern religions, Paganism, Humanism and even the Occult are becoming mainstream. We will use Scripture to see where core beliefs that are essential to the Gospel are being eroded, and how to share this with family and friends. This is a topic that couldn't be more timely as we see so many signs of a great "falling away" and a push toward a one world religious system. Pizza, salad and dessert will be provided so please sign-up in the Fellowship Hall so our volunteers can prepare. This event is for adults and older teens - no childcare will be available.
