Anastasia is here!

Dear friend,

We apologize for delaying our letter, but with great joy we want to inform you that our fourth child Anastasia was born on May 1st, at 12:32am. She weight 2850g and 50cm long. We thank God for your prayers and that He has given us a beautiful daughter. This birth was one of the most interesting because Gabi's water broke while we were at home preparing for bed, and we had to rush to the hospital. We praise God that the delivery was fast and without any complications.

After few days mommy and the baby came home. Adelina was so ready to hold her baby sister that she got very upset when the brothers came in line to hold her. So far Anastasia is very calm and easy baby, and that really helps us to have time for other activities around the home and the kids. We are blessed beyond measure and we know that every time we look at our children.

Prayer needs:

Dear friend, our biggest challenge for this summer is our **trip in the USA this August as a whole family**. We will travel with our 4 children and we worry a bit because Adelina is 2 years old and Anastasia will be only 3 months and therefore we need your prayers.

Purpose of this trip: It's been three and a half years since we last saw you and we really want to personally share stories from the ministry and to express our gratitude to you for being with us in this service for the Lord in Macedonia. *Philippians 1: 3-5*

Please pray that God will provide the necessary finances needed for this trip, especially the cost of air plane tickets that will cost us around \$7,000.

Pray for our biggest summer evangelistic camp known as Speak Out, which will be from July 9 to July 25. Pray for God to open the doors for his Gospel and to prepare the hearts of the people to accept the sacrifice of our Lord Jesus Christ!
