Hope4You

Man, I can't believe I've been writing these for five years now. We take so much for granted. At least I do. Time being probably the biggest.

Satan has many lies at his disposal. There is no God. There is no Hell. A loving God would never send anyone to hell. All gods are the same. There are many paths to the true God. Pick whichever lie makes you feel good.

As humans, we are really good at that. Everyone has their own truths.

But - the biggest lie in his arsenal is this. There is no hurry. You can deal with Jesus later. Enjoy life while you can. You're young, live it up.

Your doctor's report says you are as healthy as a 40 year old. At this rate you may live forever!

Not so, says the Lord.

All the days ordained for me were written in your book before one of them came to be. (Psalm 139:16)

A man's days are numbered. You know the number of his months. He cannot live longer than the time You have set. Job 14:5.

Each day we have a choice. To accept or reject Christ. To live for Jesus, or His enemy. Choose wisely friends. Because at any moment, time may run out.
