Our family reaching out to your family

April 2021

Hi all,

Easter or Christmas. Which is the more significant event? Of course you couldn't have one without the other. It is interesting however that we are not told anyplace to remember or to celebrate Christ's birth, and only two of the four Gospel writers even mention it.

Yet all four Gospels tell us to remember Jesus giving his body to be broken and his blood being poured out during what we call Easter. Perhaps this is to remind us of the cost of our freedom. Maybe it is more than even that.

In the story we refer to as "the prodigal son," we see the father waiting with open arms to accept his son back from his sinful lifestyle. But at Easter the story goes deeper. Easter takes place in the middle of that story. It shows the prodigal son still sinning away while God is the One doing the running towards we who have gone astray.

From Newsong;

Could it be that His Father
Had forsaken him?
Turned his back on his son
Despising our sin

That's what it looked like as they placed
Jesus in the tomb. But the song, like the story,
doesn't end there...

Sin, where are your shackles?
Death, where is your sting?
Hell, has been defeated
The grave could not hold the King!

He is ALIVE!
Death never had a chance.

Peace my friends,

Pastor Brian
