## Together Reaching Macedonian students for Christ!

April, 2021

Dear friend,

We are always happy to share with you about the student ministry and the young lives being saved. In these two pictures you can see part of the students involved in our ministry and some of the staff working with the students. One of the biggest challenges for the student ministry this past year are the closed colleges and dormitories. But we are constantly trying to find new innovative ways and resources to reach Macedonian students for Christ. Most of these activities and events are related to digital strategies and online approaches. The ministry currently counts around 50 students who are involved in Bible study groups and personal discipleship.

*"And the things you have heard me say in the presence of many witnesses entrust to reliable people who will also be qualified to teach others."*

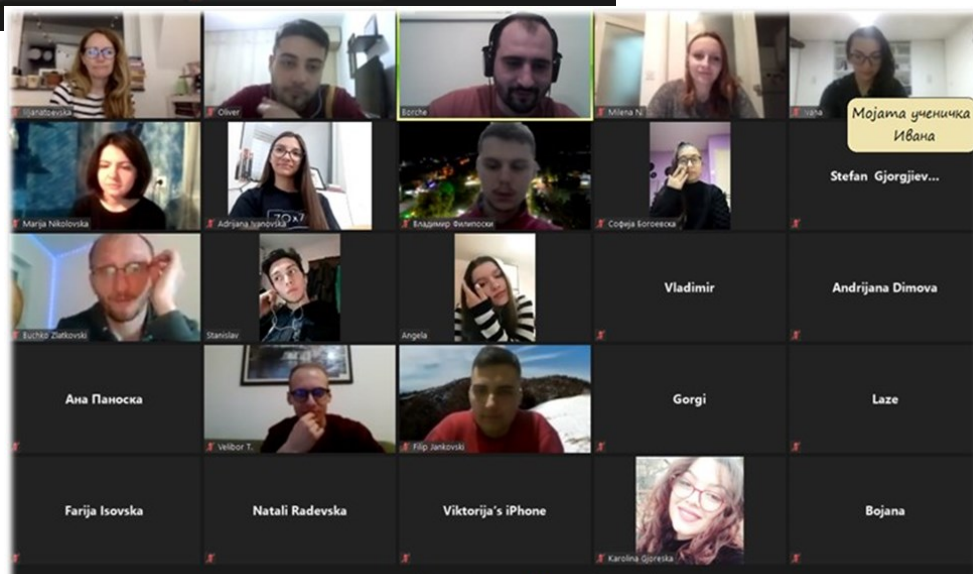

**2 Timothy 2:2**

### Prayer needs:

Please **pray** for these young students, that they will understand the importance of following Christ and that they might do that wholeheartedly. **Pray** that they will see the power of the commandment in 2 Timothy 2:2 and that they might fully embrace it.

Please also **pray** for the preparations of our summer evangelistic project that we plan in July. We are

hoping and praying that the situation with the pandemic will be under control so we can have our summer project and reach many young people with the Gospel.

### Despina is sharing the gospel!

Adriana has been on staff for three years now and we are very happy to see how God uses her. Gabi, as the person responsible for the woman staff, is very blessed to have such collaborators in the ministry.

This is Adriana testimony of evangelism and discipleship.

*"At the end of February we organized a seminar on Emotional Intelligence in order to meet new students. I also invited the student that I mentor, Despina to be part of the seminar because of the opportunity to meet new students in the discussion groups we had at the end of the lecture. That's how we met Emilia, a sophomore. We connected naturally on the first meeting, so we meet each other two more times. At one of the meetings, Despina shared with Emilia that we help students grow in the spiritual realm, shared the importance of knowing Jesus as God and Savior, and she shared the gospel. At the last meeting, we asked Emilia if she wanted to meet with us regularly to explore and learn about God together, and she agreed! Despina and I are both very happy and looking forward to seeing God work in Emilia's heart."*

### Prayer needs:

The numbers of people infected with Corona virus in Macedonia is constantly growing and unfortunately the number of vaccines is very small. **Please pray** that God mercy will be upon us and that soon we will have vaccines for everyone. There are more and more young people who end up with serious health consequences and even death.

**Please pray** for the schooling of our two boys Luka 5th and Filip 3rd grade. Because of Covid the schools in Macedonia switch to online school but that system of schooling is not developed in Macedonia and we feel that the kids are missing a lot of knowledge. Pray that the situation with the pandemic will be under control till September when the new school year starts.

The girls are also most of the time at home and we can see that Adelina, soon to be 4 years old is missing playing with kids her age and going to kindergarten. But she is blessed to have a younger sister, Anastasia to play with!

We usually like to sent our spring news letter before Easter, but this year because we were sick, we are late. We still want to use this opportunity to say:

**HAPPY EASTER!**

**CHRIST IS RISEN! HE IS RISEN INDEED!**
