Our family reaching out to your family

June 2021

Hi all,

**Geoff Moore;**

Wasn't it yesterday I was eight years old  
I had a pocket full of rocks  
Man I knew they were made of solid gold  
There were girls to be hated  
'Cause there were Trees to be climbed  
And forts to be built, there was so much  
time  
There's nothing in the world like being  
fifteen  
Your pockets are empty, but your head is  
full of dreams  
Of girls to be loved  
Of places to see  
It's the best and the worst  
Just my friends and me  
And we're anything we want to be  
Well I wonder, what this day will see  
Will I find my dreams or stare in the face  
of tragedy

Whatever may come  
Whatever may be  
Of this I am sure, I'm forgiven and free  
And I will live like I believe  
And it's good to be alive  
To feel the wind in my face  
See the blue in the sky  
It's days like this I realize  
What a gift it is  
It's good to be alive  
Good to be alive  
It goes fast guys. But man it's good to  
be alive. And I will live like I believe.

I love you guys,

**Pastor Brian**
