Our family reaching out to your family

August 2021

**Hi everyone,**

In the beginning. We all know that those three words open the Bible. In Hebrew it is just one word, beraysheet. In English it is the entire plan of redemption. In that one word, before Adam sinned, or was even created, God told us how it would all play out.

Before we get to Adam and Eve the remedy for their rebellion is already given. Built into the very first word of the Old Testament is the prophecy of the end of the New Testament.

The words in Hebrew translate as "The Son of God is among the thorns," signifying the suffering it will cost Jesus to redeem mankind.

The Bible is filled with amazing but hidden gems such as this. The Scriptures are like a treasure hunt. We will never dig deep enough to find them all, but the digging is the fun part. Whenever God reveals something new to us, it brings us to a deeper level of not only understanding the God we serve, but understanding the depths of His love for His creation.

His creation includes you! No matter your past. No matter your present. No matter your failings. No matter your shame. No matter your sins. No matter your circumstances. God loves you. Say it... God. Loves. Me. The Son of God will wear a crown of thorns and hang on a tree for us.

Galatians 3:13b - NLT - "Cursed is everyone who is hung on a tree."

That curse belongs to us. You and me. But Jesus hung on a tree becoming a curse for us, so that we can be blameless in the day of judgement. We are saved by faith. Not feelings, emotions, or circumstances.

Because you - you! You count.

I love you guys. Most importantly, Jesus loves you guys.

Pastor Brian.

Prayer for Protection  
this  
*School Year*

Thank you, Lord for Your divine protection over our children. Keep them safe as they travel to and from school. Protect them from any physical harm while they are in school. I stand on Your Word that no weapon formed against them will prosper. I thank you that Your angels stand guard over them and surround them like a shield. Guard their hearts and minds as they step out to meet new friends. Let negative words or comments, roll off them and not take root in their souls. Cover them as they navigate this new school year and guide them in the right direction. In Jesus' name, Amen!

*flourishing today*

Our prayers are with our students, college students, teachers, school bus drivers, administration and all building workers. Have a safe and blessed school year!
