Our family reaching out to your family

From the Pastor's Desk

Hello church family,

Eugene Peterson said; "All the people of faith I know are sinners, doubters, uneven performers. (Fall short) We are secure not because we are sure of ourselves, but because we trust that God is sure of us."

As Christians I think we sometimes walk around depressed, anxious, doubting - because we think we have somehow let God down. I read a great quote that said "Don't worry. When God put a calling on your life He already factored in your stupidity."#

In other words, God knew there would be times when we messed up. Badly! Still, He wants us to be on His team. Imagine that. God wants you. In His kingdom. Forever. Not because we are good. But because He is good.#

I've heard the analogy that salvation is like going to court as a guilty person and someone walks in and says "I'll pay her penalty."

But that isn't even close. Actually, the judge slammed down the gavel and yelled, "Guilty!" Then the judge stood up, took off his robe, and said ; " I'll take your place."

We need in these desperate days to quit allowing Satan, the world, and our own inner voices to keep us in bondage to confessed sin. It no longer exists.

We aren't who the world says we are. We aren't who the enemy of our souls say we are. We are who God says we are. And He says we are a new creation. We are no longer defined by our past. Our sin. Our mistakes. Our failures. But by the cross.

Jesus loves you. Have a great autumn.

The Trustees want to thank everyone who participated in.....

on the 13th. Everything on the list was done by the 20 plus folks that gave it their all. We had a good time working together as a team. There are a few more things to finish up. Top soil to spread and river rock to fill in a few former flower beds.
