

# Kindred Lines

Newsletter of the Alexandria Baptist Church  
June 2024

Hi all.

I'm sitting on the North Atlantic heading to Iceland as I write this, missing you guys. It's amazing how big and diverse the world God created is.

We were in Scotland Sunday morning. The church bells welcomed the faithful. But as in America, not many were in the churches. The cathedrals in Europe are huge and amazing, but not showy like the look at us churches in America. Still, few went in.

The Bible says a sign of the times will be people forsaking going to church. I'm so very proud of every one of you for your diligent attendance of our little church. You shine as a beacon in the night to a world that has lost its way. To Jesus be the praise to the glory of God the Father.

We love you.

SECOND QUARTER MISSION 2024

**LIFEWISE**  
ACADEMY

**GIVING GOAL: \$1,000.00 GIVINGS so far: \$1320.00**

LifeWise Northridge program started this year in January and just finished a very successful spring. At least 140 Northridge Elementary students participated. Wow! What a great interest in its first five months. They expect more students participating next year. Their hope is to eventually expand into the Middle School.

Sunday June 9th a representative from LifeWise Northridge will be coming to give a presentation of their successful spring spreading God's Word. They've already been told by teachers they are hearing students share with other students about God and Jesus. Isn't that the greatest?! Hope you'll be present in church, June 9th to hear more!

We still have one more month to give to LifeWise. So far, thank you for your generous support in your giving for this wonderful outreach program!

### ***June Mini Mission - Kid's Camp (VBS)***

Already monies are coming in to purchase supplies. Thank you! Look on the bulletin board in the fellowship hall for snacks and supplies you can donate. We would like the Non-Perishable goods to be at the church by Sunday, June 30th.

We need everyone's help in supplying decorating items like artificial trees, camping gear/equipment, small canoe, small pop up tents, etc. A bulletin board has been made up of items we would love to borrow so please look at items and sign up items you can lend us for the week of July 7-11. Sunday June 2nd we are celebrating our graduating students from high school and college so we will have the bulletin board in Sylvia's classroom which is first classroom on the right as you're leaving fellowship hall. After that the bulletin board will be in the fellowship. Please check it out and sign up for items you can lend us. Thanks for supporting our children's outreach!
